

MY MOVING CHECKLIST

BEFORE MOVING

- Clean and organize: Go through your belongings and decide what to take with you, sell, donate or throw away.
- Request quotes from moving companies: Don't forget to request a quote from Emilová Kár!
- Organize your moving day: Choose a date and book moving services.
- Prepare important documents: Keep all important documents in one place, ideally in a folder that you will have at hand.

PACKAGING

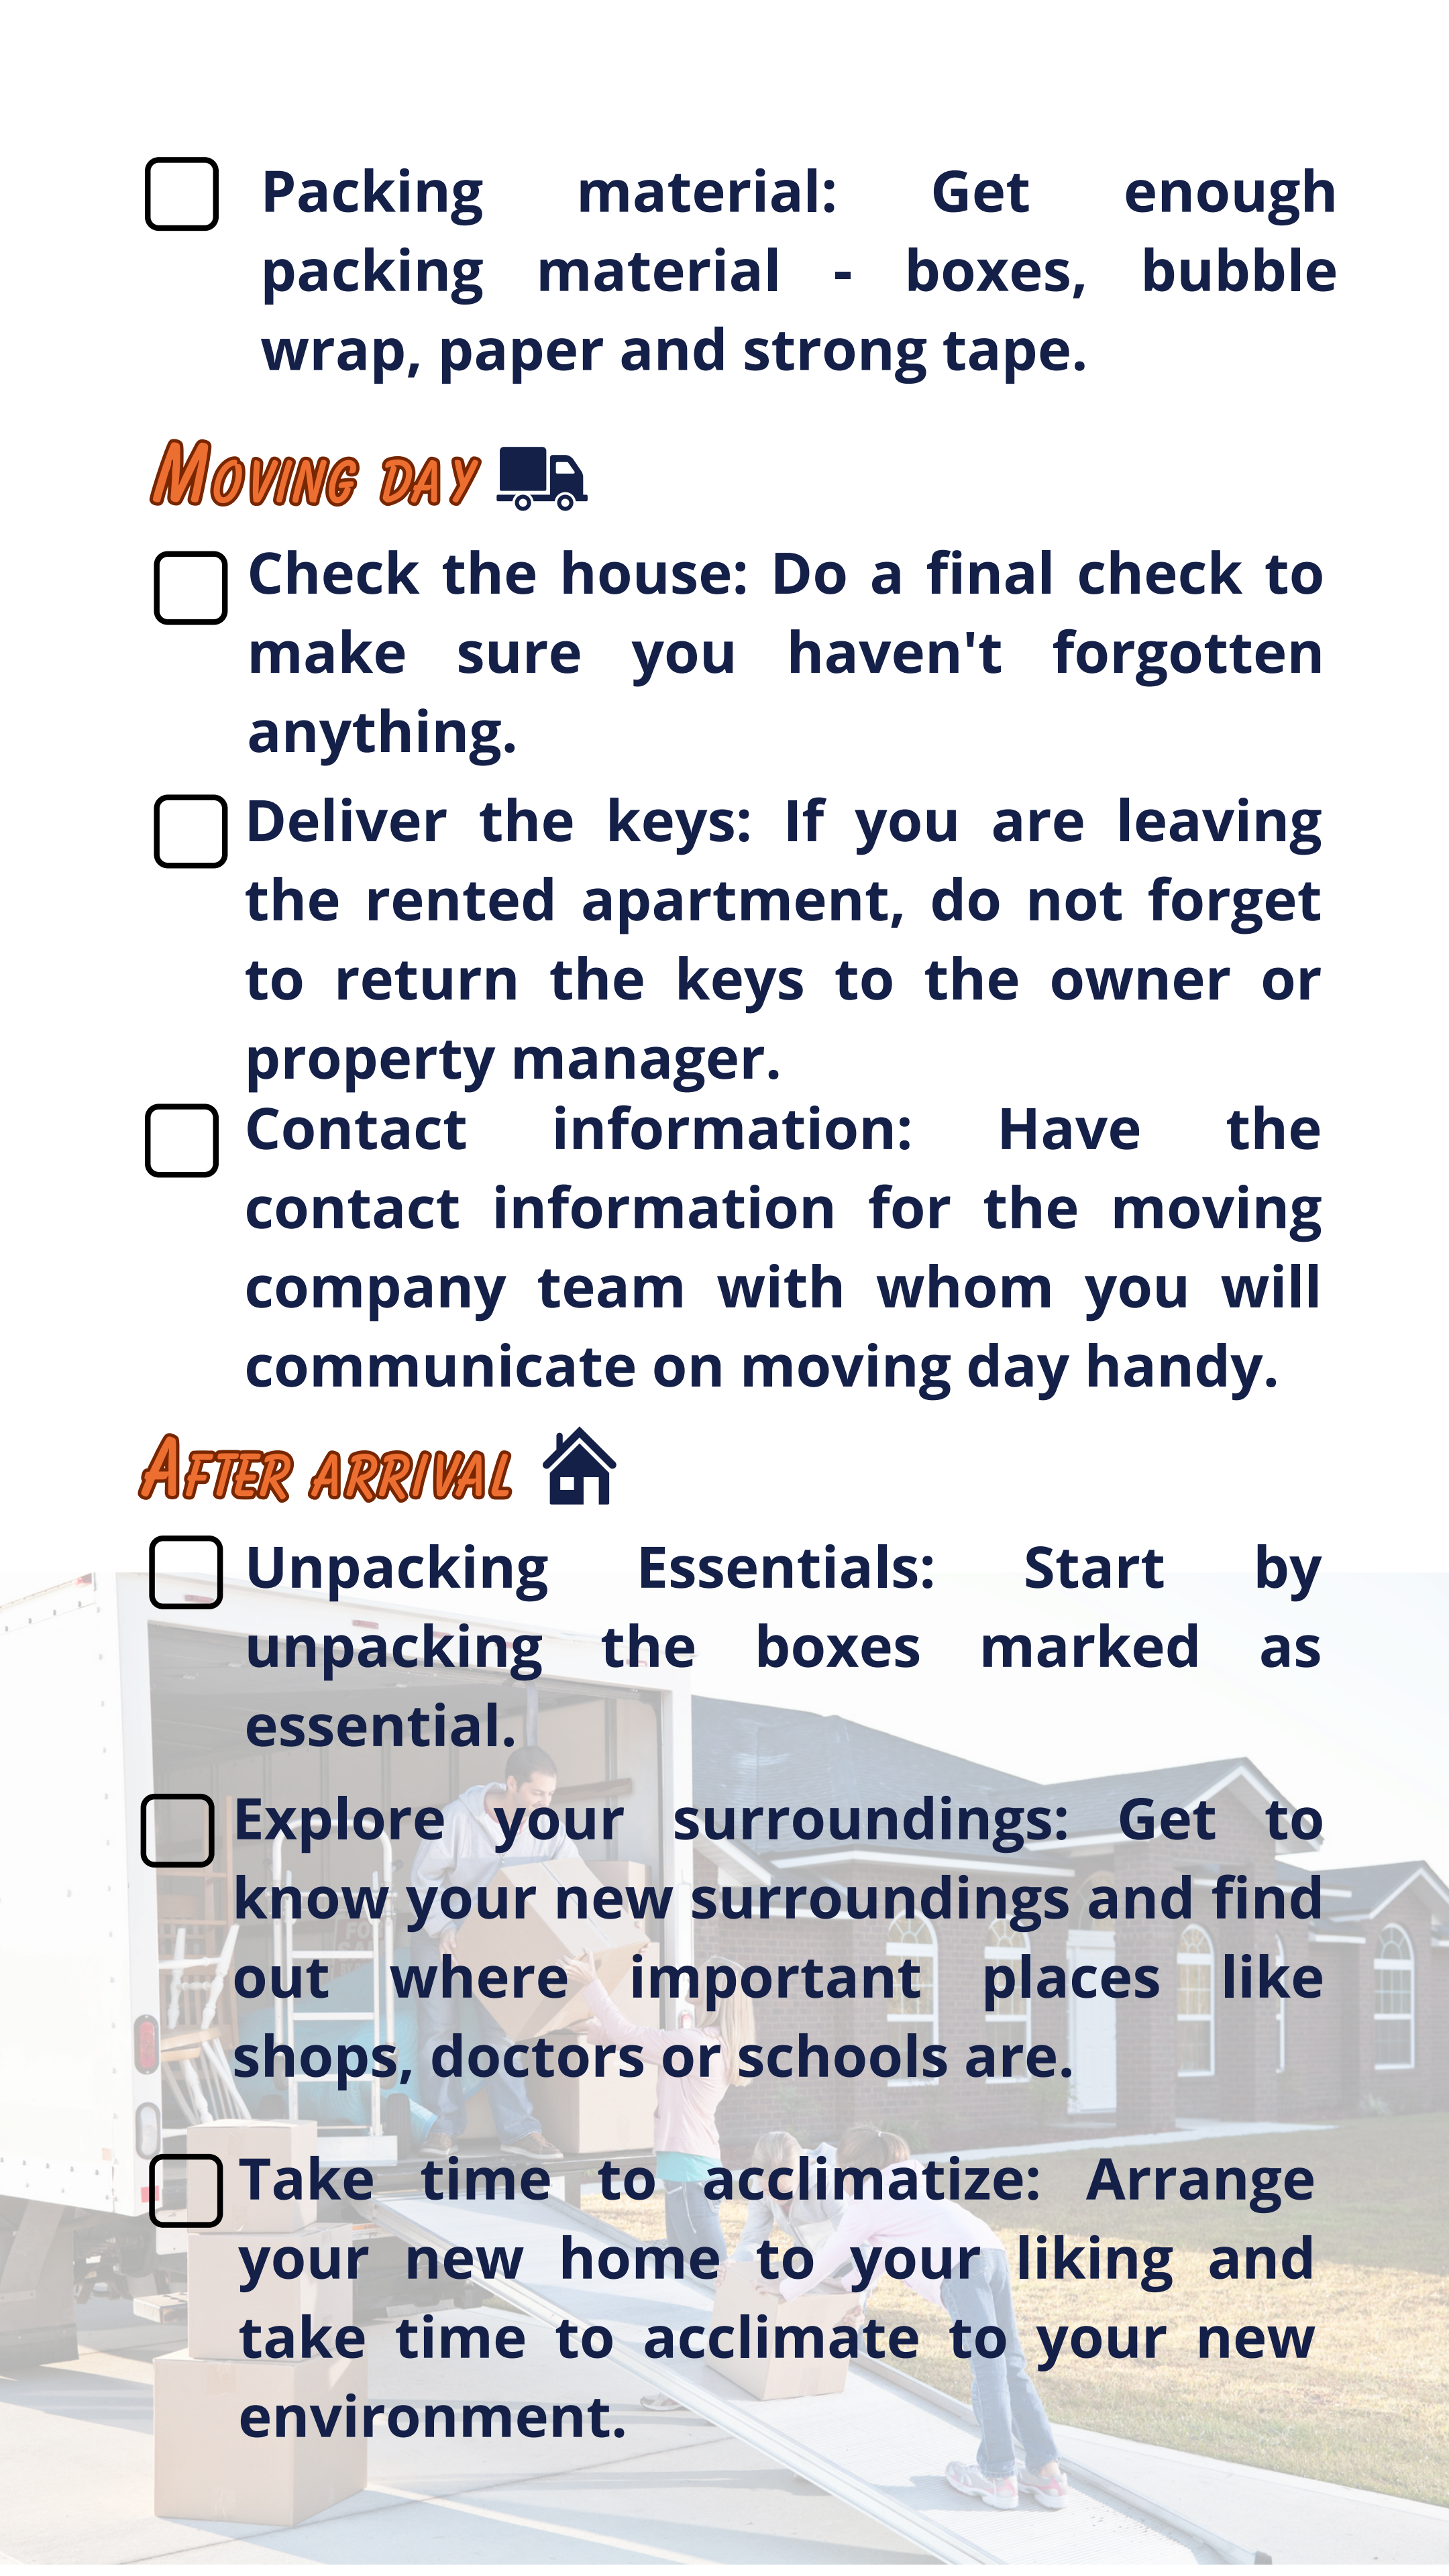

- Start early: Don't leave packing until the last minute. Start at least 2-3 weeks before moving.
- Labeling boxes: Label boxes by room and content. Also, label boxes with essentials that you will need immediately upon arrival.

- Packing material:** Get enough packing material - boxes, bubble wrap, paper and strong tape.

MOVING DAY 🚚

- Check the house:** Do a final check to make sure you haven't forgotten anything.
- Deliver the keys:** If you are leaving the rented apartment, do not forget to return the keys to the owner or property manager.
- Contact information:** Have the contact information for the moving company team with whom you will communicate on moving day handy.

AFTER ARRIVAL 🏠

- Unpacking Essentials:** Start by unpacking the boxes marked as essential.
 - Explore your surroundings:** Get to know your new surroundings and find out where important places like shops, doctors or schools are.
 - Take time to acclimatize:** Arrange your new home to your liking and take time to acclimate to your new environment.
